

## Join us for our Free HORIBA Raman School!

Held on August 16th, 2016, at 2:00 PM

ICORS2016, Fabrica de Negocios  
Conference Center, Fortaleza

[Register here](#)

2:00 - 3:00 PM	General review of the latest developments in Micro-Raman spectroscopy	Dr Sébastien Vergnole
3:00 - 4:00 PM	General review of the latest developments in Nano-Raman spectroscopy. How TERS became a proven technology?	Dr Marc Chaigneau
4:00 - 4:30 PM	Coffee break	
4:30 - 5:00 PM	Applications of Micro and Nano-Raman spectroscopy in Nanotechnology	Dr Marc Chaigneau
5:00 - 5:30 PM	Applications of Micro and Nano-Raman spectroscopy in Life Sciences	Dr Joao Lucas
5:30 - 6:00 PM	Applications of Micro-Raman spectroscopy in the field of Energy	Dr Vincent Larat
6:00 - 6:30 PM	Applications of Micro-Raman spectroscopy in the field of Geology	Dr Vincent Larat
